All the protection plans can be purchased for any category of vehicle, with the exception of commercial vans.

PLEASE NOTE: The customer will, in any case, be charged in full for all damage to the vehicle caused voluntarily by the customer, i.e. due to or as a consequence of traffic regulation violations, carelessness, driving on roads in poor condition, errors in judgement while driving, and in any case of incorrect behaviour while driving the vehicle, for example damage caused by errors in assessing clearances or obstructions; damage caused to the clutch; damage caused by failure to use the correct fuel; damage caused by failure to pay attention to a warning light. In addition, damage caused by atmospheric events (e.g. hail/fire/flood) and damage caused by vandalism shall always be charged in full to the customer, unless the latter has signed up for specific Autovia protection plans in addition to the rental service.

(*) **ATTENTION:** In the event of theft in the regions of Campania, Apulia or Sicily in the absence of relative protection plans, the maximum liability limits set by TWL will be increased by 30%.
